

**1. Phineas**

Phineas is the head of the OWCA, acting as their CEO and chairman. He is the owner of Perry, who is using his cover as the pet platypus of Phineas and his brother Ferb to serve as a secret agent for OWCA. His interpretation of the information shall always be heard first. All suggestions he makes must receive a full committee discussion and vote. As CEO, he also is supposed to represent the interest of Company executives. Thus decisions he makes should provide maximum rewards for them.

**2. Ferb**

As COO and vice chairman of OWCA, Ferb is supposed to be a support to the CEO and help him defend the decisions of the company. Ferb is Phineas's step-brother and Perry's other owner, and is an introvert who speaks very rarely. Along with his brother he has strong technical and technological proficiency, meaning he can build almost anything. As COO, he is in charge of coordinating the logistics of the organization and making sure it works smoothly on a day-to-day basis.

**3. Isabella**

As CFO of OWCA, Isabella is in charge of dealing with the finances of the organization, and reports to Phineas. Her job is to be a strong steward of the organization's finances. She is the across-the-street neighbor to Phineas and Ferb, and has a crush on Phineas. As CFO, she can decide on the amount finances to various factions, and is in charge of making sure finances are triaged.

**4. Baljeet**

As the Representative of the Danville School District, Baljeet is in charge of making sure that the voices of Danville students are heard and considered among the deliberation of the board. Baljeet has moved to Danville from India for his education. He is a very good student, especially at math. As school district representative, he can talk to Danville students about how the crisis affects them, and can provide a plan of action that would be in the best interest of Students and of education in Danville. As such, Baljeet is often looked to as the strategic mind, serving his expertise often as a blueprint for success in terms of logistics and planning.

**5. Buford**

As the local bully of Danville, Buford has decided to team up with the villains and help support them. However, that is unknown to the rest of the OWCA board. To the rest of the board, Buford showcases a surprisingly caring nature, and many on the board are impressed by him. However that is all a ruse. Buford's main goal is to propose resolutions to the committee that would be the most beneficial for the villains, and is supposed to serve as the voice of the villains interests and capabilities.

## **6. Candace**

Candace is Phineas's older sister, serving as an appointee of the Mayor of Danville. She is an average teenage girl, obsessed with popularity and boys. As the mayor's appointee, her main role is to make sure that Mayor Doofenshmirtz is found safely, and is leading the team that is finding him.

## **7. Perry the Platypus**

Perry serves as the representative of all O.W.C.A agents. He is a platypus who has a cover as the household pet of Phineas and Ferb. In his role he serves as the leader of the O.W.C.A union. He makes decisions on behalf of the agents, if he feels the committee has made a decision that is not in the best interest of the agents, he can call a strike of all agents. He hopes that all agents are duly compensated for their extra efforts during the current crisis.

## **8. Genie**

Genie serves as the representative of all Genies in the Tri State Area. Serving as the representative of all magical creatures on the board, he is very knowledgeable about the portals to the other worlds and how to close them without affecting the balance of the universe. His voice on the board makes sure that the harmony of the universe isn't affected by any resolutions.

## **9. Spongebob**

Spongebob represented all of the characters from other worlds who have come into the Tri-State. He works as a griller at the Krusty Krab. His goal is to make sure all of the characters are safely returned back to their home worlds as soon as possible.

## **10. Kim Possible**

Kim is the lead superhero on the committee. Although she is a superhero who saves the world from supervillains, she has a cover as a high school cheerleader. Her main goal is to come up with the details of the strategy to defeat Dr. Doofenshmirtz.

## **11. Shrek**

Shrek represents all the non-heroic protagonists on the committee. He is an ogre, and his day job is to serve as the replacement ruler of far-far away. His main goal on the committee is to make sure the voices of all non-heroic protagonists are heard.

## **12. Remy the Rat**

Remy represents all the non-human (ogres are considered human) protagonists on the committee. He serves as the Chef de Partie at a purpose-built restaurant for rats in Paris. His main goal on the committee is to make sure the welfare of non-human creatures are considered in resolutions.

**13. Mulan**

Mulan represents all the female characters who have been thrown into Tri-State. Her day job is to serve as an imperial agent for the Chinese Empire. Her goal is to make sure the voices of women are considered in the committee, making sure their opinions are truly heard.

**14. Rapunzel**

Rapunzel is a princess, who has special healing powers. She represents the interest of all characters who have been put into the world that are part of the aristocratic class. Her main goal on the committee is to help organize medical help for those characters who may be in need of it.

**15. Hercules**

Hercules is a Roman, the son of the god Jupiter and mortal Alcmena. He is well known for his strength and wide-ranging adventures. He often has a short temper and makes quick decisions. His main goal on the committee is to ensure the safety of characters and to keep those who are capable from damaging the world of the Tri State area.

**16. Edna Mode**

Edna is an eccentric fashion designer that specializes in superhero costumes. She has a bit of a temper and is selective regarding who she works with. Her goal on the committee is to provide proper clothing for the heroes who have come into the new world, and to design costumes for O.W.C.A agents.

**17. Elsa**

The queen of Arendele, she is known for having a cold and icy personality. Her main skills include her ability to create anything out of ice. Her main goal is to provide a safe place for the characters from the outside world and the throes of Dr. Doofenshmirtz.

**18. Merida**

A warrior from Scotland, she represents all the warrior-characters. Her main skills are her archery, spearing, sword-fighting, and countryside racing abilities. Her main goal is to ensure the voices of those tasked with finding and getting rid of Dr. Doofenshmirtz are represented.

**19. Buzz Lightyear**

A toy space ranger whose main job is to stop the evil emperor Zurg, Lightyear is well suited for this mission. Lightyear represents all toys on the board. His goal is to make sure that the unique weaknesses of the toys aren't exploited or overlooked by the board.

**20. Mike Wazowski**

A professional scarer who works at Monster's Inc, Mike has had many unique experiences with villains. His goal is to provide these insights to the board so resolutions can be suited to combat the most glaring weaknesses of Dr. Doofenshmirtz and his cronies.

### **21. Mr. Incredible**

Mr. Incredible is well known for his experience and success as a superhero. He has taken down many villains in the past and still remains incredibly passionate about his job. He is extremely eager to serve on this committee as the resident veteran superhero. Mr. Incredible's main goal on the committee is ensuring the mental health of the characters is taken into account.

### **22. Elastigirl**

Also known as Mrs. Incredible, she is Mr. Incredible's wife. She is known for her strong, protective instinct regarding children. She often steps in to protect her own two superhero children from harm's way. Her main goal is to ensure the well-being of child characters is taken care of.

### **23. Shaggy Rogers**

A member of the "Scooby-Doo" team, he works to investigate unsolved mysteries. He is very athletic, being a good gymnast and having run track. He is also well noted in his skills of ventriloquism and disguise. On this committee he serves as the chief questioner, asking questions of the updates and trying to ensure a resolution addresses as many issues as possible. As he also works for Mystery Inc, he is also supposed to help to make sure Mayor Doofenshmirtz is found safely.

### **24. Cosmo**

Cosmo is Timmy Turner's fairy godfather. He is well known for his adventures and for encouraging Timmy to pursue reckless ideas Cosmo has. His goal on the committee is to serve as a maverick, trying to come up with the most reckless ideas to add to a resolution in order to ensure the committee can take more aggressive action, or at least shift the overton window.

### **25. Wanda**

Wanda is Timmy Turner's fairy godmother. While she is more responsible than Cosmo, she is still often compelled to go along with his ideas or grant some of Timmy's more ludicrous wishes due to pressure from Timmy and Cosmo. In the committee her role is to make sure that the decisions the committee makes are cautious and responsible, trying to come up with a course-of-action that has the fewest risks.

### **26. Moana**

The daughter of the chief of Motunui Island. She is described as being optimistic, dynamic, and strong willed. She is incredibly brave and capable as well. She is responsible for using her past knowledge of fighting large beasts to figure out how the committee can neutralize the villains that have been released from the portals and the other worlds into the Tri-State area.

**27. Baymax**

Baymax is a healthcare robot with an extremely intelligent mind, as he has the ability to learn and develop emotion and morality, which he has as time goes on. He is a member of the Big Hero 6 superhero team. His main purpose on the committee is to ensure robots are properly dealt with and taken care of, as he has the knowledge and conversance to understand how they work, as well as what their strengths and weaknesses are.
